Relevant Experience

01/07 – Present: Organic Visual, *Fredericksburg, VA*

Videographer, Editor, Photographer, Designer

Shot and produced a series of documentaries, promotional material, and public service announcements for non-profit and non-government organizations. Causes ranging from positive change in the sex-trafficking industry in India, to the water crisis in Kenya, international travel and "gorilla-style" filmmaking is all part of the job. Additional services include logo design and branding, web design and coding, and social network consultation.

10/08 – 07/09: Fourth Ward Productions, *Charlotte, NC*

Visual Effect Producer, Color Correction, Additional Editing

Produced visual effects using Adobe After Effects and Apple Shake, for an independent, full-length feature film. Provided color correction for the entire film and edited the movie trailer through Apple Final Cut Pro. Additional services included logo design, web consultation, and motion graphics.

11/07 – 07/09: MorningStar Ministries, *Fort Mill, SC*

TV Show Producer/Editor

Responsible for the producing, editing, and mixing of a weekly, half-hour, church television show. Shot and edited interviews, behind-the-scenes footage, live music performances, and promotional material that is broadcast internationally every week.

12/99 – 05/07: ESPN Regional Television, *Hampton Roads, VA*

Live Production Audio Tech/Production Assistant

Set-up, tested, and oversaw the live production audio equipment for TV sports broadcasts. Was an asset to audio and video crews for NFL Monday Night Football, NBA Training Camp, and NCAA and CAA sporting events.
